**SITES OPEN**

### REMINDER

Where English is **not** the dominant language spoken at home, parents may be invited to take part in interviews as part of a qualitative research sub-study.

**Thank you** to the team at University of Southampton Auditory Implant Service for our **second** site open!

## SITE RESPONSIBILITIES

**Assessments align with standard care:** PLS-5 UK to be completed at **baseline, 6 and 12-months** after randomisation, avoiding duplicate appointments/assessments where possible.

**Data Collection:** Use of REDCap for electronic data entry for screening logs, demographics, medical history and trial assessments.

**Screening Logs:** Screening data uploaded to REDCap for all children in the CI centre pathway.

## MESSAGE FROM OUR CHIEF INVESTIGATORS

*"Thank you for taking part in this important study. I'm delighted to be working with you" ~ **Prof Cath Sackley***

*"Thank you for your commitment as we begin this important parent-implemented therapy trial for children with cochlear implants. We're very grateful for your partnership and I'm really looking forward to working closely with you as the study progresses"*

*~ **Prof Doug Hartley***
